

# Validating Burn Severity within Southeastern US Ecosystems

Tall Timbers Research Station (Tallahassee, FL)

**April 7, 2009**  
**10:00 am – 3:00 pm**

Joshua Picotte  
Kevin Robertson

Please join us for a workshop providing an introduction and hands-on field training for the 2007-2008 burn severity assessment within the Apalachicola National Forest and Okefenokee National Wildlife Refuge. All interested people are invited. Lunch will be provided.

## Schedule:

10:00 am: Explanation of Project and Applications

11:00 am: GIS Applications and Procedures

12:00 pm: Lunch

1:00 pm: GIS Roundtable and In-depth Discussion

2:00 pm: Composite Burn Index (CBI) Field Trip
